

Santa Fe, NM - Tomorrow Rep. Ben Ray Luján and Assistant Secretary for Energy Efficiency & Renewable Energy under the Department of Energy, Cathy Zoi, will be meeting at the Flying Tortilla in Santa Fe with members of the Santa Fe Chamber of Commerce to discuss the needs of small businesses during these difficult economic times. They will also discuss how entrepreneurs, small businesses, and developers can lead the way as America moves away from our dependence on foreign oil towards energy independence and what Congress can do to help.

What: Rep. Lujan to meet with local business owners (Closed to Press, Closed to Public)

When: 11:00-12:00 noon (MT)

Where: Flying Tortilla, 4250 Cerillos Road #D, Santa Fe, NM 87505
